ABOUT US

Sales representatives since 1992, and family-owned since 1971. Locally founded as a family-owned manufacturing and distribution company, we represent quality manufacturers and products to retailers of all sizes.

Customer Service Comes First. We believe in personal service and strive to provide it at the highest level.

Online Ordering and Personal Service. Enjoy the convenience of online ordering while still having a dedicated customer service person for your account.

Real, Local People. You deal with a real rep who knows your business and will meet with you in person.

Here When You Need Us. We help with order issues, product questions, line information, and purchasing decisions.

Quality Products & Companies. We carefully curate companies and products to represent that we believe offer value to independent retailers.

Knowledgeable & Informed. We provide comprehensive information about the products and companies we represent.

Frank & Honest Advice. We strive to give straightforward, informed opinions to help you make the right decisions for your store.

Your Privacy Matters. We do not sell or share your information with other companies.

More Than Just a Sales Rep. Our goal is to be a trusted resource, helping our retailers find products, solve problems, and grow their businesses.
